Bits and Pieces

Claire Krutz

We welcomed Claire Krutz to her first BNSC meeting and party. We enjoyed her presence with mom, Margaret, but missed Matt and Forest. The men were really out numbered.

Winter / Spring Party

The Spring Party was a huge success, the High Point Awards that were presented showed a large number of new entries. The Club has over 12 different classes for entries and the club presented 7 different High Point Awards. Congratulation to all of our winners. Bill and Cindy still have entry forms for this year. It is

never to late to enroll in the High Point Awards contest. We welcomed back to the club Sandy and Patty Johnson, enjoyed their presence at the Spring Party. The White Elephant gift exchange was one for the record books. Still trying to figure out if all the “stealing of gifts” were on the up and up, but had a lot of fun watching some club members go after some really great gifts. We had a carry-in dinner with chicken purchase by the club. There is always to much to eat but all the food was excellent. Nobody walked away not full. Bill and Cindy called the Bingo games and Claire Krutz was the winner of the cov-

erall bingo game.

Spring Horse Show

Just a reminder that the Spring Horse Show is coming May 8th. If you have any sponsorships, we would like them turned in at the meeting May 4. We are having a set up party on Friday evening at 6:30 pm. We will be opening the barn for early horses to be housed. We will be placing the trash cans with liners around the fair grounds, setting the Saddle Club for the noon meal, moving equipment from the Saddle Club to the entry booth, setting up the entry booth, and getting the show ring ready for our halter classes. Hope to see you there.

Musing with Stu ~

We are ready to start our 74th year is sponsoring horse in DeKalb County. We have to stop and say thank you to all the members that proceeded us in sponsoring horse shows. We are the oldest continuous saddle club showing horses in Northern Indiana. Do not know anything about Saddle Clubs South of Indianapolis. But what we have accomplished in the first 74 years should be remembered and used as a growing point. To Some of our members that do not know that the Saddle Club had a two day show during the 70's, 80's, and 90's. The Summer Show was also the Mid States Walking Horse Jubilee. The Club also had a jumping classes at this show. We had

live organ music during the performance classes. On Sunday evening (night) we had the championship for the Tennessee Walking Horses. The Saddle Club has a long and distinguished history of presenting excellent horse show here in DeKalb County. We need to keep in mind what our founding fathers did for our club and remember that we are just an extension of what they started. The horse industry is not the same as it was back then and changes had to be made, but the concept of putting on an excellent show will never be out dated. As we prepare for our upcoming shows let's keep in mind of what was presented before us and strive to put on the best possible show we can do,
